TASMAX
SALARY PACKAGING

TasMax is a provider of salary packaging solutions offering innovative and flexible remuneration strategies that can be managed in-house or outsourced. Under a strategic partnership with the TCCI, TasMax can assist Tasmanian businesses in offering cost effective salary packaging arrangements to their employees.

The TCCI has recognised the importance for its members to be able to offer flexible salary arrangements to retain existing personnel or attract new staff.

TasMax is able to offer a local, personalised, effective and responsive service to all enquiries. Our Customer Relationship Managers will also ensure that the service is professionally managed and that all your requirements are catered for.

TasMax has developed strategic partnerships with a number of our clients and suppliers to enable an extensive suite of value added offerings that give employees access to concessional pricing on products and services. This can provide you with an important business advantage.

TasMax offers a wide range of benefits packages which can be tailored to suit the individual needs of your business and employees. Some of the salary packaging benefits that we can provide include:

- Additional Superannuation
- Novated Leases
- Laptop & Notebook Computers
- Airline Lounge Memberships
- Personal Digital Assistants
- Income Protection Insurance
- Professional Membership Fees & Subscriptions
- Mortgage, Rent and Credit Card payments for FBT Exempt organisations
- Salary Packaging Advice
- and many more

TasMax salary packaging offers many benefits to both employers and employees:

For the Employer:

- Provides a no-cost remuneration packaging advantage
- Assists the attraction of new staff and the retention of existing personnel
- Cost effective administration of salary packaging
- Our system encompasses all necessary accounting controls and accurately meets taxation compliance and reporting requirements
- Control over the process of all packaging remains with the employer

For the Employee:

- Increases salary benefits through access to pre-tax income
- Provides optimum balance between cash salary and packaged benefits – allowing for maximum disposable income to be received
- Assists in life planning for individual employees
- Simple and easy to understand process and benefits reporting

The time is now to give your business and employees an unfair advantage in the market place and in lifestyle.
